High temperature steam cleaning machine

Whole house clean. One machine
Sterilization and mite removal rate of up to 99.99%, pure physical steam cleaning, enjoy a healthy life

HIGH TEMPERATURE STEAM

MODEL

STEAMJET 3000

Code	CNTQXG
Power max	3000 W
Voltage	220-240V
Frequency	50Hz/60Hz
Steam pressure max	3.5 Bar
Water consumption	2.8L/Min
Working temperature	<120 C
Power cord length	1.4 M
Steam pipe length	3 M
Weight	4.8 Kg
Dimension	430x240x185 mm
